

Invitation for our Women in business panel discussion

**Wednesday 17 October
18:00 - 20:00**

[Register for the event](#)

Join ICAEW and ICPAC for the latest in our series of Career Development Panel Discussions, profiling female finance professionals in academia, business, practice and the banking sector.

How do finance professionals approach important areas such as leadership, effective team-working, communication, and dealing with negotiation and conflict?

How do gender issues impact career development and what are the possible solutions on a personal, organisational and government level?

European University, new building, Cultural Centre, 1st Floor

Two hours of CPD

With the support of:
