Year 1 – Jubilee Bonding Trip

We are pleased to announce the dates for our Club Jubilee team-building trip. The aim of this trip is to help our new Year 1 students to bond and get to know each other in a relaxing and friendly atmosphere, thus making the beginning of the next academic year as smooth as possible. These activities will serve as an additional tool to enhance the development of our young people's teamwork and social skills, as well as improving their English language skills. Our school has successfully run these activities for years.

We will be collaborating with Club Jubilee, who has agreed to organise a special two-day programme for us at the Jubilee Hotel in Troodos. Members of staff will accompany the children and the programme will be administered by the experienced Club Jubilee Staff, who have successfully provided children with memorable educational experiences for over 25 years.

The dates of the trips will be:

- **Group A (Boys) – Friday, September 1st and Saturday, September 2nd**
- **Group B (Girls) – Saturday, September 9th and Sunday, September 10th**

Buses will depart at **9.00 am from The English School reception** area, so all students should be at School by 8.30 am. The buses will return to The English School at approximately 4.00 pm. The price for the trip, which includes transportation, full-board accommodation and the full-activity programme, will be **€105**.

Students will need to bring comfortable/warm clothing, a water bottle and suitable trainers appropriate for hiking.

You can find more details about Club Jubilee from their website www.clubjubilee.com. A detailed programme will be shared with participating students and parents in August.

Club Jubilee strictly adheres to government regulations and Health and Safety protocols. The English School aims to promote integration and help our students bond together to transition into Secondary School as easy as possible.

Below is an outline of the activities planned:

Day 1:

We depart from the English School at 9 am prompt.

On arrival, the children are shown to their rooms, have a debrief about the hotel and then jump straight into activities

The afternoon is spent at the hotel playing a variety of team bonding games mixed with other fun exercises to break up the day

The evening will consist of a club jubilee quiz which will challenge them mentally and physically.

Day 2:

In the morning the children pack up their bags and head out on the club jubilee challenge. This is a beautiful hike around the mountain where they will stop and have certain challenges to overcome as a team.

The group will return to the hotel for lunch, we then wrap things up and say a farewell at 14:00pm

Online Test & ID Photographs

Test Date: **Monday, 4th September 2023**

Duration of the test (without administration): **Maximum 1 hour.**

ID Photographs will run concurrently.

Students will need to be at School from 8.00 and stay until they have completed the YELLIS test and had their ID photo taken (see details below.)

Year 4 students are required to be in the School Uniform

YELLIS is a set of three tests we routinely administer to all Year 4 students to measure each student's developed ability or aptitude for learning. The three areas are Vocabulary, Maths and Non-Verbal (ability to match patterns and apply visual intuition.)

It is an adaptive computer test, meaning that each student will progress through the test and be given questions related to their level of response. The level of questions is thus adjusted according to each student's answers.

The data produced from the tests can then be used to set academic targets for students during Years 4 and 5. This test is completely separate from the students' academic programme at School.

Students do not need to revise anything for these tests, but they need to concentrate and give their best effort.

Additionally, we will be taking ID photos of all students on this day to create up to date school ID photo identification cards. The cost of this ID is EUR10.00 and will be added to the annual tuition fee, so no need for the students to bring this amount of money for the photographer. Students need to bring these ID cards to all end of year and external exams and use them for the school buses and Library.

Mission Statement

The English School exists to promote academic excellence through high-quality processes of teaching and learning. The school seeks to maximise individual potential by providing rich and engaging educational experiences and challenges, supported by talented and trained staff, in a safe and caring environment and using modern pedagogical techniques and new technologies.

The English School student is an articulate, autonomous, life-long learner who is developing the cognitive skills to think critically and creatively, to evaluate information and to collaborate with staff and other students in order to assess his/her own attainment and progress.

The school is committed to the principle of equal opportunities for all and seeks to uphold the rights of every individual within the school community. It celebrates diversity and its ethos is one of trust, mutual respect and understanding of each other's culture, ethnicity, religion, gender and individual needs.

The English School's main goal is to prepare students to access the highest quality tertiary education and to become global and democratic citizens, empowered to adopt key leadership roles in their adult lives.

The school motto is '***Non sibi sed scholae***' which means that students should be proud to be a member of the school and put the school community and other people before their own needs.

The English School Code of Conduct

The Code of Conduct is intended to support and encourage all students in the school community to meet the following standards which reflect the major values underlying the school mission statement: Respect, Tolerance, Fairness, Selflessness and Responsibility.

The Code of Student Conduct has three sections.

- A Students' Rights section
- A Students' Responsibility section
- A Sanction section to deal with transgressions

All English School Students have the following Rights:

- To be treated equally and respectfully by all others in the school community
- To have access to formal complaint procedures for those situations in which they believe themselves to be victims of discrimination based on gender, ethnic background, colour, religion, sexual orientation or disability
- To have access to procedures to appeal a decision about misconduct charges or sanctions on their part
- To expect safety, confidentiality, and privacy when being considered for misconduct or when reporting the misconduct of others

All English School Students have the following Responsibilities:*

- To complete all academic work honestly and responsibly, rejecting all forms of cheating, plagiarism or dishonest presentation of one's work
- To respect the rights and responsibilities of all individuals in the school community
- To behave safely and responsibly by refraining from all forms of misconduct or aggressive or disrespectful behaviour toward individuals or property
- To refrain from the use of disrespectful communication to or about others
- To reject all forms of discrimination or harassment toward others
- To attend all classes on time
- To meet school standards on appearance and dress/uniform regulations
- To refrain from the use of mobile phones and extraneous electronic equipment while in classes or educational activities
- To not engage in any behaviours involving the use of drugs, alcohol, addictive substances or smoking
- To participate as required in all school activities and functions, including all lessons and sporting activities
- To refrain from any political party campaigning or promotion in the school
- To act at all times in a manner which will not bring discredit upon themselves, their family and their school
- To use the internet and ICT in School safely and to refrain from using social networking sites or the internet to harass other students or staff
- To refrain from the use of violence towards other students and staff

**The above list is not exhaustive and can be extended in the future*

The English School Code of Conduct

Home / School Agreement

The English School has the following responsibilities:

- To provide a comprehensive and engaging education to all its students
- To place the individual child at the heart of everything it does
- To monitor individual student progress and intervene if there is evidence of underachievement
- To keep all of its students safe
- To respect the rights and responsibilities of all individuals in the school community
- To ensure that staff provide regular and useful feedback on written and classwork completed by their students
- To offer a modern and relevant curriculum
- To provide a wide range of extra-curricular activities and educational visits
- To monitor student attendance and take action when there are problems
- To refrain from any party political campaigning or promotion in the school
- To prepare students adequately for higher education and employment
- To provide an effective programme of social, moral, spiritual and health guidance through its assemblies, PHSCE programmes
- To liaise regularly with parents to maintain good communication and effective care in loco parentis
- To implement an effective behaviour management system to ensure all students are in an environment conducive to learning, using both rewards and sanctions
- To deal with communications from parents in a courteous and prompt manner

The English School parents have the following responsibilities:

- To ensure their children attend school regularly and arrive promptly in the morning in the correct school uniform
- To monitor their child in his/her home learning to ensure that he/she completes tasks and activities set by the teacher and submits them on time
- To communicate with the school if their child is having difficulties, experiencing bullying or falling behind academically
- To support the school and the actions of the Leadership team if their child is involved in bullying
- To communicate promptly with the school if their child is ill and cannot attend
- To support the school by emphasising the need for good behaviour, regular attendance and promptness to their child
- To work in close collaboration with school staff to ensure that the best possible educational experience is provided for their child
- To communicate with the school if their child has any long-term medical conditions which will hinder his/her learning
- To refrain from imposing undue pressure on their child in terms of attainment expectations and to act in a supportive and encouraging capacity
- To attend parents' consultations and review days regularly and with their child
- To communicate with school staff in a positive spirit of collaboration
- To encourage their child to participate in extra-curricular activities
- To check the school website, portal /parental app (to be launched in Spring 2020) regularly for information

Sanctions for Misconduct:

Failure on the part of students to live up to these standards will be seen as a breach of the Code of Student Conduct. It will incur intervention or disciplinary action, which will take one or more of the following forms, depending on the severity of the misbehaviour. In some instances, restitution or restoration to the victim will also be expected.

Sanctions might include the following but not necessarily in this order depending on the severity of the misconduct:

- A work assignment
- Guidance intervention by a member of staff
- Contact with parents/parental meeting
- School detention
- Immediate withdrawal from class or activity for a referral to Leadership Team
- Community service assignment
- Suspension
- Discipline Committee hearing
- Permanent exclusion

Wherever possible, the sanctions will be guided by restorative principles in an attempt to educate the students not to transgress the Code of Student Conduct again.

Note that the School reserves the right to inspect student property, including electronic devices, in cases of suspected bullying.

To ensure all students are adequately protected, the School reserves the right to sanction students who may be found to be perpetrators of bullying or harassment of other students outside school hours and/or off the school premises.

Such sanctions will be implemented according to the School's Behaviour Policy.

The English School School Policies

Uniform and Appearance

Wearing a school uniform and taking pride in appearance give students a sense of belonging and can enhance school spirit. A uniform shows unity and identity, in much the same way football followers will wear their team's jersey, a uniform builds a sense of community. Uniforms can also help students prepare for the workforce. Whether it's wearing safety gear in a construction job or corporate wear in an office, most jobs require a standard of dress.

- The School's policy on these issues is clearly laid out in the Code of Conduct
- The Uniform Policy is NOT NEGOTIABLE BETWEEN TEACHERS AND STUDENTS and hence should not be a matter for debate.
- It is the responsibility of ALL TEACHERS at ALL TIMES to check this.
- This means that ALL TEACHERS should be acquainted with the Code of Conduct and uniform regulations.
- When a teacher feels that the appearance of a student (including uniform) is consistently inappropriate (the first time the teacher just warns the student that he/she will be sent to a senior member of staff), the teacher sends the student to the Head of Year or any other Assistant Head who will use his/her discretion and take whatever action is appropriate.
- Note: all items are badged with The English School colours and logos to achieve uniformity of colours and fabric. No items of uniform from other suppliers will be acceptable apart from the shoes and trainers.

Sports Uniform:

All new students will be informed of their Houses during Induction Day.

Following this, students have one week to purchase the relevant Sports uniforms. This includes:

1. The Nike School House shirt
2. The Nike blue School shorts or black stretch shorts (for girls only)
3. The blue School tracksuit
4. Any good quality trainer

Regulations

- The highest standards of appearance, in dress, personal neatness and cleanliness, are expected of students at all times.
- Students coming to School improperly dressed or otherwise of unacceptable appearance may be sent home or kept out of class.
- Small stud earrings may be worn if discreet. No large hoop earrings are allowed or any earrings which could pose a Health & Safety threat.
- No make-up is allowed at school except for Senior Girls (Years 6 and 7) who are allowed light make-up and nail varnish.
- In Years 1-5 Boys must be clean-shaven at all times.
- In Years 6 & 7, boys are allowed to be unshaven provided their appearance is neat and clean. Any facial hair should be groomed and trimmed.
- Hair must be neat and tidy. Extreme haircuts, hair colours or hairstyles are not allowed. The Management Team's discretion will be used here.
- Tattoos (including temporary ones) should not be visible
- Non-uniform items are not allowed in School. This includes sweaters, T-shirts etc.
- No hoodies are permitted
- Black or brown shoes only

The highest standards of appearance are expected at all times.

We would like to stress once again, any student found not to be in uniform and whose appearance is judged to be unacceptable, the student may be expected to be kept out of class until the correct uniform is worn or until the general appearance has been addressed.

Students who habitually come to School inappropriately dressed or with unsatisfactory appearance will be sanctioned.

Student Voice

Student Councils can play an important role in the life of the school by giving students the opportunity to participate in school decision- making, creating greater engagement with the school community and at the same time bringing forward school improvement.

(a) Becoming a Form Representative and member of an Advisory / Student Council

Student Voice will be enhanced further this year at The English School by ensuring that meetings are held regularly, attendance is improved, and genuine efforts are made to listen and act on constructive student initiatives. There will be 4 Student Councils/ Forums for the elected form representatives that will meet at the following times:

- **The Lower School Advisory Council (Years 1-3)***
- **The Middle School Advisory Council (Years 4-5)***
- **The Upper School Advisory Council (Years 6 -7)***
- **The Student Council** (which is represented by elected students from the three councils and the Student Leaders) times will be announced in the new academic year.

The exact days and times of the Advisory Council Meetings will be announced in September by the Conveners. The Conveners will also be announced in September.

(b) Responsibilities of members of the Student Council/ Advisory Councils

The Advisory Councils and Student Council will meet regularly to discuss and debate a variety of matters and issues that concern students and their school with the aim of making decisions and proposals for school improvement. The participation process will give students the opportunity to engage in active learning and active citizenship in their school and hence develop their leadership and team-building skills, whilst at the same time improve their school community. They will need to spend time researching different issues, collecting data and preparing proposals. The Student Councils are also encouraged to involve themselves in issues regarding the improvement of their community at local, national and/or global level.

Members of Student Councils will be expected to attend meetings as required and consult with members of their form groups / year groups. Members of the Student Council will be required to attend the meetings of the Student Council as well as their respective Advisory Council Meetings. They may be asked to undertake Training and should expect to be called for meetings with members of the Senior Leadership Team, Heads of Year, and the Headmaster. They should come to these meetings fully prepared, with arguments to support their proposals and the willingness to listen and discuss alternative perspectives.

Any student who is interested in being a Representative will need to stand for election and should be aware that the role of the Representative will require a commitment in terms of time and effort.

Rules and Regulations regarding membership of a Student Council

- The minutes of each School Council meeting should be written up on the same day by the Secretary /Assistant Secretary/ Chairperson and after being checked by the Senior Teacher i/c Student Voice / The Convener, should be circulated to ALL members. Minutes should be read out in form tutor periods and/or assemblies or disseminated electronically.
- The School Council must elect a Secretary, an Assistant Secretary and a Treasurer, who will, with the Head Girl, Head Boy and the Deputies, constitute an executive which may be consulted by the Headmaster or Assistant Head i/c Student Voice.
- The Head Boy, Head Girl and Deputies will be scheduled to have consultation meetings with the Senior Leadership Team and represent the interests of Students in **all year groups**. They will also be expected to attend weekly meetings with the Headmaster.
- Members of the Student Council including the Head Boy/ Head Girl and Deputies will be required to communicate/ consult with the Student Body during assemblies/ form periods and other suitable times.
- Members of the Advisory Councils and Student Council must adhere to school policies and be role models for the other students. Any action that which puts their school into disrepute will lead to indefinite suspension from the Council.
- Any member of the Student Council or Advisory Council who misses three meetings in a term will be suspended from the Council (unless there are exceptional mitigating circumstances) at the discretion of the Convener.
- Any member who brings discredit to the school will be suspended from the Council indefinitely by the Senior Leadership Team (SLT).

Chain of Change

Chain of Change is a student-driven initiative to raise funds, awareness and practical help when needed. CoC members are passionate about teamwork, volunteering and working towards a fairer and more sustainable society.

Staff in charge:

- Anne-Marie Tellalis - SMT i/c of ECA
- TBC- CoC Leader years 6 and 7
- Ioanna Nicolaou - CoC Leader years 4 and 5
- Stalo Achilleas - CoC Leader Years 1 - 3

Chain of Change Charity Leaders

Elections for CoC leaders and Class representatives for Chain of Change Charity will be elected in September, and regular meetings and initiatives are planned.

You are joining a long tradition of students who have come to the school and who have enjoyed music, drama, taken instrumental lessons, sung in the choir and performed in plays and musicals. There are many opportunities to become involved - the only thing missing is YOU!

We strongly recommend that you come and visit us in our music suite, situated just behind the Hall, and talk to us about how you can get involved. Whatever you decide to take part in, we plan to make your experience as rewarding and enjoyable as possible.

Here are some of the things available to you on joining the school:

Instrumental Lessons

We offer paid instrumental lessons in all instruments, including classical and jazz piano, electric and classical guitar, bass guitar, drums and voice. For more information on this programme and how to register, please click [here](#).

For the year 2023 – 2024 there will be a few orchestral scholarships available – more details will be available at the beginning of the school year. Scholarships comprise the loan of the instrument and one 30 minute lesson per week. Please note that currently, scholarships are limited to the orchestral instruments only.

Lessons in Music Theory

We also offer lessons in small groups for music theory:

- o Grade 5 (no previous knowledge required) – 8 month course
- o Grade 6 (a pass in Grade 5 is required) – 1 year course
- o Grade 7 & 8 (a pass in Grade 6 is required) – 1 – 2 year course

The day and cost of these lessons depends on the students involved. Click [here](#) for further details.

Performing Arts Clubs:

Choir

Do you like to sing? Perhaps you enjoy singing but not on your own? Or maybe, you weren't in the choir at your Primary School but you want to try something different? If so, the choir is for you!

The Junior Choir is open to all students in years 1 – 3. Rehearsals are as follows:

Thursdays
Fridays

Girls
Boys

Nearer the time of performance extra joint rehearsals are arranged.

We encourage students to take part in the choir and experience the joy of group singing in a large enthusiastic group! We work on the basics of good singing through a variety of musical styles. Extra care is taken of the boys' changing voices at this crucial stage in their development. This is a fun, high energy group with lots of public appearances planned throughout the year.

Department & Activities

THE ENGLISH SCHOOL
A SECOND CENTURY OF EXCELLENCE

Drama Club

Junior Drama club meets once a week and is open to all students in years 1 – 3.

The drama club brings the joy and power of drama to students through structured performances. You will have the chance to experience the excitement and rewards of theatre arts while developing poise, social skills, confidence and the ability to work with others.

There also many other music performing clubs such **as Junior Wind Band, String Orchestra, Wind Band, Guitar Club, Rock Band** and **Senior Choir**.

Talent Night

Dancing, singing, playing in a band, acting - Talent Night is one of the most popular events of the school year. The feeling of performing alongside your friends in a professional theatre to a big audience is priceless. You also learn team-work, discipline and commitment, having fun along the way.

Auditions are open to all students – but please note that the standard is very high so start practicing now! We are available to advise, help and guide you – come and talk to us.

Sculpture and Installation Masterclass

September 2023-May 2024

Elpida Fragkeskidou, Artist

We are thrilled to announce the start of our Sculpture and Installation - Masterclass for Year 4-5-6-7 students.

This masterclass is the result of a successful collaboration with Elpida Fragkeskidou, founder of Kuns Studio, and aims to enrich the methodologies, particularly those concerning sculptural materials, installations, and sustainability.

The masterclass will focus on expanding the students' knowledge and technical skills through a philosophical, socio-ecological, and anthropological approach. Over the course of the program, students will explore the impact of material culture on the performativity of objects, their audience, cultural design, performance, and criticism, culminating in the creation of three-dimensional artworks.

We are thrilled to announce the start of our Sculpture and Installation - Theory and Practice Program for Year 4-5-6-7 students. This program is the result of a successful collaboration with Elpida Fragkeskidou, founder of Kuns Studio, and aims to enrich art theory and methodologies, particularly those concerning sculptural materials, installations, and sustainability.

The masterclass will focus on expanding the students' knowledge and technical skills through a philosophical, socio-ecological, and anthropological approach. Over the course of the program, students will explore the impact of material culture on the performativity of objects, their audience, cultural design, performance, and criticism, culminating in the creation of three-dimensional artworks

The masterclass includes personal projects, lectures, demonstrations, and feedback sessions to provide a supportive and creative environment for the students to develop and explore their personal narratives through art-making and discussions.

The masterclass is an excellent opportunity for students to develop their artistic skills, gain valuable insights into art theory, and express themselves through creative means.

Masterclass Goals:

1. **Personal Feedback & Guidance:** The workshop aims to provide students with personalised feedback and guidance on their sculptural and installation projects.
2. **Portfolio Enrichment:** The workshop aims to contribute to the enrichment of students' portfolios. Through engaging in hands-on projects and receiving guidance, students can create a body of work that showcases their artistic abilities and concepts.
3. **Construction & Design:** The workshop may focus on teaching students about the principles of construction and design as they relate to sculpture and installation art.
4. **Sculptural Ceramics:** If the workshop focuses specifically on sculptural ceramics, one of the goals would be to explore and develop techniques related to working with clay as a medium for creating three-dimensional forms. Students may learn various hand-building techniques, such as coiling, slab construction, or modelling, and they may also explore surface treatments and glazing methods specific to ceramic sculpture.

5. Focusing on Materiality:

- a) Expand knowledge: wide range of materials beyond traditional sculptural mediums. This could include clay, metal, wood, found objects, textiles, plastics, or even digital materials)
- b) Experimentation: Students are encouraged to experiment with materials, pushing the boundaries of their traditional uses
- c) Conceptual expression: Understanding the relationship between material and meaning and
- d) Sensory experience: Students may be encouraged to consider how materials can engage viewers' senses, thus creating immersive and multisensory experiences.

The Masterclass will take place in the Art Room - N27 every Monday and Thursday.

Option 1:

Every Monday (3h) 14:00-17:00
Every Thursday (2h) 14:00-16:00
Price Including Vat 19% - 250 euros per month.

Option 2:

Every Monday (3h)
Price Including Vat 19% - 180 euros per month.

Most of the basic materials required for students will be provided by the school. However, there may be certain additional materials that students need for their studies, which they will be responsible for acquiring themselves.

We invite all Year 4-7 students to participate in this exciting program. The Masterclass is an excellent opportunity to expand our students' knowledge and provide a platform for self-expression.

Don't miss out on this incredible opportunity!

Afternoon Games is one of the long-standing traditions of The English School, aiming to provide further sporting opportunities to our students within our House system. Students are exposed to various sports and are supervised by the members of the PE Department and our Specialist Afternoon Games Coaches. They take part in multiple sports activities with younger and older boys and girls, under the guidance of their Head of House. Students can participate competitively in school sports if they are selected to represent their House and they have the chance to develop into leaders, captaining their peers. Those who prefer a more relaxed, social and fun approach to sport may participate in non-competitive physical recreation activities, with emphasis placed on strengthening their friendships and improving their fitness.

Afternoon Games Activities

We have continued to develop and enrich the programme of activities that we offer to our students, working with a number of specialist coaches. Following feedback from students, we decided to maintain the activities that were introduced in past years, such as Martial Arts/Self – Defence, Dance, Yoga, Handball and various Fitness Classes. Of course, we will also continue to provide the “tried and tested” options of Basketball, Volleyball, Table Tennis, Badminton, Football, Softball, Athletics, Futsal, Hockey and Tennis.

Our aim is to continuously monitor the activities that we provide to ensure that a wide variety of quality sports opportunities are made available to our students. We would be happy to receive feedback from any student/parent on any aspect of the PE Department Afternoon Activities programme.

Afternoon Games Days and Times

Afternoon Games is a part of the school curriculum and students in years 1-3 are expected to attend on the relevant days and times.

Junior Boys Games:	Thursdays:	2:10-3:30 p.m.
Junior Girls Games:	Fridays:	2:10-3:30 p.m.

Students leaving the School site whilst waiting for Afternoon Games

Some students leave the School site in the time between the end of morning lessons and 2.10 p.m. when Afternoon Games begin. There are issues of safety involved but the School cannot prevent students leaving after the final bell for morning lessons nor can the School accept any responsibility for anything that may happen whilst students are off-site. There is no direct supervision of students during this time at School but there are always teachers around or other responsible adults who can help if the need arises. The School advises that students stay on the School site during this time for their own safety, since they have the option of using the School Canteen to buy food and drinks.

Changing Rooms and Personal Belongings

Students should use the changing rooms to change into their PE uniform for their sports lessons and Afternoon Games. A number of lockers are provided in the changing room corridor, where students can secure their valuables, using a small padlock of their own (preferably a combination lock). Following requests from students, we have decided to allow those who wish, to take their school and/or sports bags with them to the facility that they will be using for Afternoon Games, so that they can better monitor their own belongings.

Given that about 250 students will be participating in Afternoon Games each time, then everyone should take special care to look after their own belongings and valuables. The PE Department takes no responsibility for valuables that are not secured in the lockers.

Advice to Students

Students are encouraged to use sunscreen and a hat to protect themselves from the sun during Afternoon Games. Also, it is good practice for everyone to have a water bottle with them, especially during the hotter months of the year, as well as an extra T-shirt to change into at the end of their activity.

Physical Education – Afternoon Games

THE ENGLISH SCHOOL
A SECOND CENTURY OF EXCELLENCE

Absence from Afternoon Games

Afternoon Games is part of the school programme of students in years 1-3 and attendance is expected, as for all other parts of the curriculum. Students/Parents need to inform the School well in advance of any planned absences from Afternoon Games, to ensure the safety of our students. Please note that the same established procedures for leaving school early also apply to Afternoon Games.

If a student needs to leave school early which involves them not attending Afternoon Games, then they need to make arrangements in the normal procedure, through the Main Office.

If a student needs to leave school early because they are not feeling well, then they need to make arrangements with the School Nurse, preferably during one of the breaks. Please note that the School Nurse will be based in the Sports Centre PE Office during Afternoon Games.

Any other means of attempting to inform the School about absences from Afternoon Games (notes through other students to the PE Department/Heads of House) will not be accepted.

If a student is absent from Afternoon Games and no arrangements were made with the Main Office nor with the School Nurse in advance, then they will receive an “unjustified absence”. The consequence for an unjustified absence or truancy is detention together with 3 behaviour points issued to the student, in line with school policy. If a valid excuse is presented to the School after the student was absent from Afternoon Games, then the detention will be removed and 2 behaviour points will be issued for not making the required arrangements (for the student to be absent from Afternoon Games) in advance.

Medically Excused Students

Students who cannot participate in physical activity and have presented a valid medical certificate to the School Nurse, will be offered a non-physical option for Afternoon Games. Therefore, they will still be able and expected to participate in this part of the school programme under the supervision of one of our members of staff.

Cancellation of Afternoon Games due to the weather

A decision will be made as to whether Afternoon Games need to be cancelled due to weather conditions by 2nd break, so that students can inform their parents and make arrangements to leave school earlier.

School Team Practices and Sports Clubs Training Sessions

The PE Department offers a wide range of School Teams/Sports Clubs in a variety of sports, for all ages of the school: Basketball, Volleyball, Football, Athletics, Hockey, Cross-Country, Tennis, Table-Tennis, Handball, Weight Training, Parade, Brazilian Jiu Jitsu, Choreography and Futsal. Furthermore, we will provide opportunities to our students to represent the School in other sports such as Biathlon, Badminton, Gymnastics, Table-Tennis, Skiing and Swimming.

Our school teams train regularly and participate in the Ministry of Education Competitions, as well as in a number of tournaments that are organised mostly by the Nicosia Private Schools. In recent years, our school teams had numerous successes in many sports, both in the Ministry of Education as well as in other Nicosia and Pancyprrian Competitions.

Further details on the timing and venue of School Team Practices and Sports Club Training Sessions will be available on the PE Department’s website.
