## Welcome Message

Ms Popi Grouta, Acting Head

Dear Parents, Guardians and Students,

Welcome to the 2025–2026 academic year at The English School. I hope you have all enjoyed a restful and fulfilling summer break, full of special moments with family and friends, and that you are returning refreshed and ready for the exciting year ahead.

It is a privilege to serve as Acting Head of The English School until we welcome our new Headmaster, Mr Nicholas Eatough, in January 2026. I would also like to take this opportunity to express our heartfelt thanks to Mr Stuart Walker for his thoughtful leadership over the past two years, which has left a lasting and positive impact on our community.

This year is particularly special as we celebrate **125 years since the founding of The English School**. It is a moment to honour our proud history and the generations who have contributed to the School's rich legacy, while also looking ahead with renewed ambition and purpose. We plan to mark this milestone mainly through some of our key school events—such as the Barbecue, Talent Night, and Founders' Day and other, smaller events—bringing the community together to celebrate what makes The English School so special.

At The English School, we are committed to maintaining the high standards and values that have defined us for more than a century. This year, we are placing a renewed emphasis on the fundamentals that create a positive and productive learning environment—**punctuality, attendance, and uniform**—through our 'Back to Basics' initiative. These core expectations help foster a culture of respect, responsibility, and pride, supporting students to thrive academically and personally.

At the same time, we are continuing to enhance our curriculum offer to meet the evolving needs and aspirations of our students. In particular, we are beginning the development of an expanded **super curricular programme** designed to deepen intellectual curiosity and better prepare our students for success in applications to top universities around the world—opportunities they deserve and are ready to embrace.

**Partnership with parents** is vital to the success of every student, and this year we are deepening our efforts to strengthen the collaboration between home and school. We look forward to working closely with you, recognising that open communication and shared commitment are key to helping our students achieve their full potential.

We are also excited to expand our **engagement with our alumni**, drawing on their experiences and insights to inspire and support our current students through mentoring, career guidance, and shared connections.

Thank you for entrusting us with your children's education and for your continued support. As we mark 125 years of shaping minds and building futures, I look forward to a memorable and successful year for all members of our community.

With warm regards,

Popi Grouta  
Acting Head

## Uniform and Appearance

Wearing a school uniform and taking pride in appearance give students a sense of belonging and can enhance school spirit. A uniform shows unity and identity, in much the same way football followers will wear their team's jersey, a uniform builds a sense of community. Uniforms can also help students prepare for the workforce. Whether it's wearing safety gear in a construction job or corporate wear in an office, most jobs require a standard of dress.

- The School's policy on these issues is clearly laid out in the Code of Conduct.
- The Uniform Policy is NOT NEGOTIABLE BETWEEN TEACHERS AND STUDENTS and hence should not be a matter for debate.
- It is the responsibility of all teachers at all times to check this.
- When a teacher feels that the appearance of a student (including uniform) is consistently inappropriate (the first time the teacher just warns the student that he/she will be sent to a senior member of staff), the teacher sends the student to the Head of Year or any other Assistant Head who will use his/her discretion and take whatever action is appropriate.
- Note: all items are badged with The English School colours and logos to achieve uniformity of colours and fabric. No items of uniform from other suppliers will be acceptable apart from the shoes and trainers.

### Sports Uniform:

All new students will be informed of their Houses during Induction Day. Following this, students have one week to purchase the relevant Sports uniforms. The sports uniform includes:

1. The Nike School House Tshirt
2. The Nike blue School shorts or stretch shorts/leggings (for girls)
3. The blue School tracksuit
4. Any good quality trainer

## Regulations

- The highest standards of appearance, in dress, personal neatness and cleanliness, are expected of students at all times.
- Students coming to School improperly dressed or otherwise of unacceptable appearance may be sent home or kept out of class.
- Small stud earrings may be worn if discreet. No large hoop earrings are allowed or any earrings which could pose a Health & Safety threat.
- No make-up is allowed at school except for Senior Girls (Years 6 and 7) who are allowed light make-up and nail varnish.
- In Years 1-5 Boys must be clean-shaven at all times.
- In Years 6 & 7, boys are allowed to be unshaven provided their appearance is neat and clean. Any facial hair should be groomed and trimmed.
- Hair must be neat and tidy. Extreme haircuts, hair colours or hairstyles are not allowed. The Management Team's discretion will be used here.
- Tattoos (including temporary ones) should not be visible.

## **Regulations (continue)**

- Non-uniform items are not allowed in School. This includes sweaters, T-shirts etc.
- No hoodies are permitted
- Black or brown shoes only

## **The highest standards of appearance are expected at all times.**

We would like to stress once again, any student found not to be in uniform and whose appearance is judged to be unacceptable, the student may be expected to be kept out of class until the correct uniform is worn or until the general appearance has been addressed.

**Students who habitually come to School inappropriately dressed or with unsatisfactory appearance will be sanctioned.**

# Support & Practice Session

We are pleased to inform you about the upcoming support sessions our departments will provide for students after school in the upcoming academic year 2025-2026. These sessions are designed to help our students practice and refine their skills beyond regular classroom hours. Many of these sessions have been designed to provide students with additional exam preparation for IGCSE and A-level courses.

Students can engage in regular support and practice sessions guided by our experienced teachers. These sessions will offer valuable insights into exam techniques and strategies, which are crucial for success in their examinations. By working through additional past paper questions, students will gain familiarity with the exam format and reinforce their understanding of key concepts.

We believe these sessions will benefit our students, providing them with extra practice and support to improve their learning and excel in their exams. A list of these sessions is attached to this letter for your reference. All sessions start at 13:50.

We encourage all students to take advantage of this opportunity. Please do not hesitate to contact us if you have any questions or require further information.

Thank you for your continued support in ensuring our students maximise their learning.

Best wishes for a restful and enjoyable summer break.

## Careers & University Entry Department

Good career guidance is crucial if young people are to raise their aspirations and take advantage of the opportunities presented to them. At The English School we aim to provide a holistic approach to Careers Education, striving to develop our programme so that is in line with the Gatsby Benchmarks. Our Careers & University Entry programme offers our students an environment in which they are able to make informed choices, both in terms of delivery and also in terms of infrastructure. We have a dedicated Careers area adjacent to the Senior Students Study Centre, which makes our staff easily accessible to its students. We offer independent and accurate information, advice and guidance through the delivery of a structured programme of Careers Education which involves the entire school community. We aim to equip our students with transferrable skills that will assist them throughout their lives so that, ultimately, they will be able to realise their ambitions with confidence.

## Meet Your Student Leaders for 2025–2026

The English School values student voice and leadership. This year, the Student Leadership Team (SLT), under the guidance of Assistant Head Ms. Popi Grouta, plays a central role in representing and empowering the student body.

- **Head Boy:** Fotis Pentaris
- **Deputy Head Boy:** Georgios Pouyioutas
- **Head Girl:** Georgia Kramvi
- **Deputy Head Girl:** Anastasia Hadjiyianni

These student leaders act as a bridge between students and the school's Senior Leadership Team, ensuring student feedback contributes to school improvement and wellbeing initiatives.

### How Student Voice Works

We encourage all students to actively participate in shaping their school experience. Structured opportunities for leadership and representation include:

#### Form Representatives and Advisory Councils

Elected each September, Form Representatives serve on one of three **Advisory Councils**, which meet regularly to share ideas, propose improvements, and collaborate on key issues affecting school life:

- **Lower School Advisory Council** (Years 1–3)
- **Middle School Advisory Council** (Years 4–5)
- **Upper School Advisory Council** (Years 6–7)
- **Student Council:** A combined body of Advisory Councils and the Student Leadership Team

### Expectations of Student Council Members

Students serving on these councils are expected to:

- Represent their peers in regular meetings
- Contribute to surveys, research, and project proposals
- Promote civic awareness and global citizenship
- Communicate updates to their forms via assemblies or tutor periods
- Demonstrate responsibility, integrity, and school pride

**Note to Parents:** We believe that developing leadership skills and encouraging civic engagement from an early age prepares our students to be thoughtful, proactive global citizens.

### Attendance & Conduct Policy

- Regular attendance at meetings is mandatory. Students who miss three meetings per term without a valid reason may be removed from the council.
- Any breach of school policy or behaviour that discredits the school may result in indefinite suspension from leadership roles.

## A Shared Mission for 2025–2026

This year, Student Voice is more than just raising concerns — it's about:

- **Building solutions**
- **Driving meaningful change**
- **Empowering students to lead with integrity and purpose**

Together, our students, teachers, and parents form a powerful partnership for a vibrant, inclusive, and future-ready school community.

## Maths Enrichment Programme

The Mathematics Enrichment Program, led by the Mathematics Department, is a specialized initiative designed for students who demonstrate exceptional mathematical ability and enthusiasm. Participation in the program is by invitation from the school, following a careful selection process to ensure that students are well-suited to the challenges and opportunities it offers. This program provides a unique chance for students to extend their learning beyond the regular curriculum through a rigorous and inspiring selection of advanced mathematical topics not covered in standard lessons. Currently available for students in Years 1 through 5, the program, in conjunction with the Mathletes Afternoon Club, prepares participants to excel in prestigious national and international competitions such as the IMO, IMC, BMO, JBMO, District Mathematics Competitions, Mathematical Olympiads, and Mathematical Relays. At its heart, the program seeks to nurture a lifelong passion for mathematics, inspiring students to see the subject not just as a school requirement but as a beautiful, creative, and empowering way of thinking that opens doors to a world of possibilities.

## Sports Programme

Afternoon Games is one of the long-standing traditions of The English School, aiming to provide further sporting opportunities to our students within our House system. Students are exposed to various sports and are supervised by the members of the PE Department and our Specialist Afternoon Games Coaches. They take part in multiple sports activities with younger and older boys and girls, under the guidance of their Head of House. Students can participate competitively in school sports by being selected to represent their House and they have the chance to develop into leaders, captaining their peers. Those who prefer a more relaxed, social and fun approach to sport may participate in non-competitive physical recreation activities, with emphasis placed on strengthening their friendships and improving their fitness.

### Afternoon Games Activities

We have continued to develop and enrich the programme of activities that we offer to our students, working with a number of specialist coaches. Following feedback from students, we decided to maintain the activities that were introduced in past years, such as Brazilian Jiu Jitsu and Handball. Of course, we will also continue to provide the “tried and tested” options of Basketball, Volleyball, Table Tennis, Badminton, Football, Softball, Athletics, Futsal, Hockey and Tennis.

Our aim is to continuously monitor the activities that we provide to ensure that a wide variety of quality sports opportunities are made available to our students. We would be happy to receive feedback from any student/parent on any aspect of the PE Department Afternoon Activities programme.

### Afternoon Games Days and Times

Afternoon Games is a part of the school curriculum and students in years 1-3 are expected to attend on the relevant days and times.

Junior Boys Games:      Thursdays:      2:10-3:30 p.m.

Junior Girls Games:      Fridays:      2:10-3:30 p.m.

### Students leaving the School site whilst waiting for Afternoon Games

Some students leave the School site in the time between the end of morning lessons and 2.10 p.m. when Afternoon Games begin. There are issues of safety involved but the School cannot prevent students leaving after the final bell for morning lessons nor can the School accept any responsibility for anything that may happen whilst students are off-site. There is no direct supervision of students during this time at School but there are always teachers around or other responsible adults who can help if the need arises. The School advises that students stay on the School site during this time for their own safety, since they have the option of using the School Canteen to buy food and drinks.

### Changing Rooms and Personal Belongings

Students can use the changing rooms to change into their PE uniform for their sports lessons and Afternoon Games. A number of lockers are provided in the changing room corridor, where students can secure their valuables, using a small padlock of their own (preferably a combination lock). Following requests from students, we have decided to allow those who wish, to take their school and/or sports bags with them to the facility that they will be using for Afternoon Games, so that they can better monitor their own belongings.

Given that about 250 students will be participating in Afternoon Games each time, then everyone should take special care to look after their own belongings and valuables. The PE Department takes no responsibility for valuables that are not secured in the lockers.

## Sports Programme

### Advice to Students

Students are encouraged to use sunscreen and a hat to protect themselves from the sun during Afternoon Games. Also, it is good practice for everyone to have a water bottle with them, as well as an extra T-shirt to change into at the end of their activity.

### Absence from Afternoon Games

Afternoon Games is part of the school programme of students in years 1-3 and attendance is expected, as for all other parts of the curriculum. Students/Parents need to inform the School well in advance of any planned absences from Afternoon Games, to ensure the safety of our students. Please note that the same established procedures for leaving school early also apply to Afternoon Games.

- If a student needs to leave school early which involves them not attending Afternoon Games, then they need to make arrangements in the normal procedure, through the Main Office.
- If a student needs to leave school early because they are not feeling well, then they need to make arrangements with the School Nurse, preferably during one of the breaks. Please note that the School Nurse will be based in the Sports Centre PE Office during Afternoon Games.
- If a student is absent from Afternoon Games and no arrangements were made with the Main Office nor with the School Nurse in advance, then they will receive an “unjustified absence”. The consequence for an unjustified absence or truancy is detention together with 3 behaviour points issued to the student, in line with school policy.
- If a valid excuse is presented to the School after the student was absent from Afternoon Games, then the detention will be removed and 2 behaviour points will be issued for not making the required arrangements (for the student to be absent from Afternoon Games) in advance.

### Medically Excused Students

Students who cannot participate in physical activity and have presented a valid medical certificate to the School Nurse, will be offered a non-physical option for Afternoon Games. Therefore, they will still be able and expected to participate in this part of the school programme under the supervision of one of our members of staff.

### Cancellation of Afternoon Games due to the weather
