### Accessing Your Results

---

You may access your results, as follows:

- (a) Online for Cambridge and Pearson/ Edexcel.
- (b) Collect your results envelope from the school's reception.
- (c) After the results are out, you may forward an email to [exams@englishschool.ac.cy](mailto:exams@englishschool.ac.cy) requesting a copy of your results. Remember to state your Candidate Name and Number. This is on a first come first served basis and the Exams Office makes every effort to respond to all requests the soonest possible. However, due to heavy workload please note that there might be a delay in responding to you.

**Please Note: RESULTS WILL NOT BE PROVIDED OVER THE PHONE**

#### Exam Board AQA Results:

AQA does not have an online database for viewing results. Hard copies of the results will be available at the school's reception on the announced results date and time. The AQA results are emailed to all students at their school email address via a mail-merge, as soon as possible after the results are out. Kindly note that there might be a delay in sending the AQA results email to students due to the heavy workload at the Exams Office on results days.

### Exam Board Cambridge Results:

Cambridge has issued login details for CIE Direct (<https://myresults.cie.org.uk>) to all candidates entered for the summer 2025 examinations, whereby candidates can access their results online. **The login details have been forwarded to all students involved to their school email address on 24 March 2025.** Alternatively, you may pass by the school's reception after the results are published to collect your results envelope.

### Exam Board Pearson/ Edexcel Results:

Pearson/ Edexcel has an online results tool called ResultsPlus Direct which can be accessed by students to view their results (<https://www.resultsplusdirect.co.uk/students/login.html>). Results will be available in ResultsPlus Direct at 11:00am on results dates. Students may pass by the school's reception to collect their results envelope after 10:00am on results dates.

- **New ResultsPlus Direct Users:**

ResultsPlus Direct accounts have been generated to all students who have registered through the school for exams with Pearson/ Edexcel for the first time this summer.

**The ResultsPlus Direct verification code has been provided to all students involved to their school email address on 24 March 2025.**

Please use the verification code to activate your account and follow all instructions provided by ResultsPlus Direct in order to set up your account and add your username (usually school email address) and password. Once you complete the activation procedure, the verification code will no longer be useful. You can then use your username and password to login.

**Please safely store your username and password, as you will need them for accessing all future exam results with Pearson/ Edexcel registered through the school.**

- **Old ResultsPlus Direct Users:**

Please use your username (usually school email address) and password for accessing your Pearson/ Edexcel exam results registered through the school.

If you forgot your password, you can obtain a new one by clicking on the "Forgotten username or password?" link on the login screen below the "Change password" button. Enter the email address you have used upon registration into the "username" field in the pop-up window. You will then receive an email from ResultsPlus Direct for setting up a new password. If during the password reset procedure, you submit the wrong security details for more than three times, your account will lock. In this case, you need to inform the Exams Office via email at [exams@englishschool.ac.cy](mailto:exams@englishschool.ac.cy) and request to unlock your account.

Note that if you have registered for exams with the British Council or any other exams centre that can accept private candidates, these results will not be visible in the ResultsPlus Direct account provided by the school. In this case, you will need to contact the British Council or alternative exam centre and request your results.
